

Touchstone Communities At A Glance

Company and Focus Touchstone Communities offers a continuum of advanced care for elders throughout the Southwest. Our reputation for excellence and compassionate care has brought us to the forefront of our industry.

We strive to be a forward thinking organization, leading the way in long with everything from unique business offerings to innovative home design plans, and of course stellar care. We plan to intelligently grow our core services for meeting the demand for advanced elder care in communities throughout the United States, with a current focus on the Southwest.
