Executive Named Administrator of Del Rio Nursing & Rehabilitation Center

[Del Rio, Texas] – Representatives of Touchstone Communities®, a San Antonio-based long-term care provider, recently announced Jorge Jurado as the new Administrator of Del Rio Nursing and Rehabilitation, located at 301 West Martin. Born and raised in Del Rio, Jurado grew up in South Del Rio and is a 2002 graduate of Del Rio High School.

“I am extremely excited to join the wonderful team at Del Rio Nursing and Rehabilitation, and my professional goal is to ensure that our community provides the best rehabilitation and care in the area,” Jurado explained. “On a personal basis, my dream has always been to return to Del Rio and give back to this wonderful community that helped raise me,” he added.

Jurado is returning to Del Rio after spending 10 years in San Antonio. He obtained a Bachelor of Business Administration in Finance from The University of Texas at San Antonio in 2008, and a Master’s of Business Administration in Management from Sul Ross State University in 2014. He also received his Long Term Care Administration license from Midland College in 2014. He is married to Carliz Jurado, and they have two children, Fabian, aged 3 and ½ years, and Camila who is one-year old. Jurado enjoys spending time with his family which also includes two canine members, Bentley, a lab, and Mayer, a Weimaraner, along with hunting and fishing.

“With Touchstone’s continuing growth and focus on excellence, I am pleased that Jorge is joining our team, especially given his love and gratitude for the Del Rio community,” commented Stan Studer, Jr., CEO of Touchstone Communities. “No doubt he will do a wonderful job in overseeing this great community, reconnecting with individuals from his past, and building a strong future for the residents, staff and county,” Studer added.

Del Rio Nursing and Rehabilitation Center provides comprehensive elder rehabilitation services including speech, occupational and physical therapies administered by state licensed professionals under the supervision of a physician. Incorporating its trademarked “Return to Home™” approach, the community rehabilitation team designs a customized program of physical medicine, providing residents with the greatest opportunity to return to their prior level of function and living accommodations.
