## Touchstone Communities Named “Best Place to Work”

**[San Antonio, Texas]** – Touchstone Communities was chosen as a “Best Places to Work” 2016 winner by San Antonio Business Journal.

For the fifth time in row, Touchstone has achieved the honor among 60 other companies. Touchstone made it into the large companies category. The company will be honored during an awards luncheon at the Norris Conference Center, July 14, 2016. The San Antonio Business Journal will also feature Touchstone in the July 15 issue for “Best Places to Work”.

Carl Fellbaum, president of Touchstone said, “Our vision is to create a world-class work environment ‘devoted to excellence through quality and integrity.’ We value each team member and want Touchstone Communities to be a fun, challenging, and rewarding place to work.”

The Best Places to Work awards honors companies in the San Antonio area which includes the counties of Bexar, Atascosa, Guadalupe, Wilson, Comal, Bandera, Medina, and Kendall counties. The winners were chosen based on the results of confidential online surveys completed by the companies’ employees and coordinated by the San Antonio Business Journal’s research partner, Quantum Workplace.

**About Touchstone Communities**

Headquartered in San Antonio, Touchstone Communities provides healthcare services, including skilled nursing, rehabilitation, and Alzheimer’s care for residents and patients.
