San Antonio's Touchstone Communities Opens New Community— The Heights of Bulverde

[Bulverde, Texas] – A rapidly growing provider of rehabilitation and skilled nursing care in Texas, Touchstone Communities® is proud to announce the opening of The Heights® of Bulverde located at 384 Harmony Hills St., Bulverde, TX. The community will open March 30, 2017.

Leading the operations at The Heights of Bulverde will be Wendy Day, LNFA. “I am extremely excited to join the amazing team at Touchstone Communities as the administrator of The Heights of Bulverde. My professional goal is to ensure that our community provides the best rehabilitation and care in the area,” Day explained.

“We are thrilled that The Heights of Bulverde will be a part of the Touchstone family,” commented Bryon Sehlke, president of Touchstone Communities. “We are pleased to be able to expand our reach for serving people in the Bulverde area by adding this special community.”

The Heights of Bulverde provides quality care for residents and patients with 124 licensed beds. With the latest in rehabilitation therapy, The Heights of Bulverde incorporates a home-like atmosphere to enhance the social, physical, and spiritual well-being of the residents. Gardens, outdoor activity areas, Wi-Fi internet, and indoor dayrooms with kitchens all come together to create an enriching environment for residents and patients.
